Last Month's Health Fair was a success!

According to all our lovely supporters, youth, and everyone else that came out to Drop-In Center South on June 11th-- Our very first Health Fair was quite a success! We would like to give a special thanks to all the amazing vendors that came by to drop some knowledge about health & caring for oneself, and we want to thank the community for coming together to make it happen. We are grateful for your continued support, and for those that provide services to our young adults.

Edgewood Drop-In Centers also had a great time being a part of San Mateo County's Pride Festival. We were so happy to see those of you who came by and danced with us!!!
