But wait!!!

How are we doing activities if our centers are currently closed?

Well... we have officially gone VIRTUAL! Just simply email us which activities you interested in and we will deliver the materials RIGHT TO YOUR DOOR!

****Email DropinCenters@edgewood.org for materials, videos, and Zoom links!****

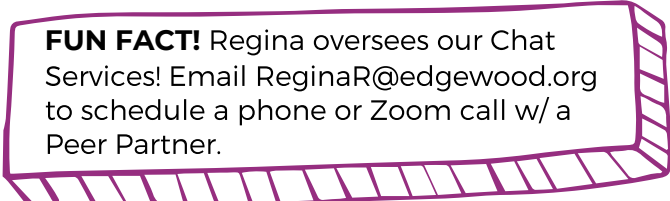

PEER PARTNER CORNER: REGINA

"If your cat Ollie could dress up as anything for Halloween, what would he be?"

I think he would be a Vampire solely because of this pic of him yawning!

His name would be Ollicula and he can only be sated with the famous, Fancy Feast. He only accepts the fanciest of feasts. But he doesn't care about blood, he isn't *that* kind of vampire.
